WORK EXPERIENCE

Designation

march 2025 - September 2025

- 6 month Internship in Groot Software IT Solution with making real time project making

PROJECTS

Freshcart Ecommerce website

[Link to Demo](#)

Developed a fully responsive and dynamic e-commerce web application that allows users to browse products, manage carts and wishlists, and securely complete purchases. The website replicates modern marketplace features and focuses on smooth UI/UX, scalability, and real-time functionality.

Job Portal web

<https://pixel-ui-six.vercel.app/>

Developed a full-stack job portal platform where users can create profiles, upload resumes, search for jobs, and apply online. Implemented secure authentication, role-based access for job seekers and recruiters, job posting management, and real-time application tracking. Built using React, Node.js, Express, and MongoDB with fully responsive UI using Tailwind CSS.

Clothing Website

[Link to Demo](#)

A modern clothing e-commerce website offering a seamless shopping experience with product listings, filters, cart management, and secure checkout. .
